The body that oversees the scientific conference

Honorary President :Dr Rezzougui Abdellah (University president)

General Supervisor :Dr Mediani Mohammed (Dean of the Faculty)

General Coordinator :Dr Mersali Horiya

President of the Conference: Dr Ayad Liela

Conference Vice-President :Dr djelil Zinelaabidine

President of the Scientific Committee :Pr Yousfet Ali (sed lab chief)

President of the Regulatory Committee: Dr Ouadi Azzdine

President of the Editorial and Reading Committee of the Recommendations:  
Dr Khelassi Abdelillah

## Management Engineering of Financial Institutions to Enhance Financial Inclusion as an Option to Achieve Sustainable Development

24th - 25th May 2021

### CONFERENCE OBJECTIVES

- Establishing a conceptual basis for financial re-engineering and highlighting its role in promoting financial inclusion as one of the strategic options for achieving sustainable development and joining the ranks of the leading countries in this field, in line with strategies to stimulate economic growth at local, national and international levels;
- Clarifying the contribution of financial inclusion to enhancing the financial literacy of producers, merchants and consumers;
- Recognizing the importance of enhancing financial inclusion in reducing disparities between community members in terms of obtaining financial services;
- Introducing startups and leading businesses;
- Highlighting the importance of enhancing financial inclusion and emerging institutions in achieving comprehensive and sustainable development;
- Emphasizing the role of financial technology and digitization in promoting financial inclusion;
- Activating the mission of civil society in creating a society that is aware of the importance of using modern technologies in financial services;
- Looking for modern and developed mechanisms that can greatly benefit various financial institutions, help diversify sources of financing, allow advancement of development levels, and especially encourage high levels of investment and offer access to a far wider range of sustainable financial products.

### CONFERENCE AXES
